

The ASE participates in the training program organized by FEAS

July 03, 2024

The Amman Stock Exchange (ASE), represented by Mr. Al-Muthanna Alidi from the Operations Department, participated in the eleventh training program, which was held in the city of Yerevan/Armenia during the period June 11-13, 2024, which was organized by the Federation of Euro-Asian Stock Exchanges (FEAS), with the participation of representatives from more than 29 member stock exchanges, clearing and settlement companies, securities depository centers and regulatory bodies.

Many topics were discussed and reviewed, the most prominent of which were the benefits of corporate governance and its application, the strategy for developing the Armenian Stock Exchange and the difficulties they faced, and the Environmental, Social and Governance (ESG) factors initiative, in addition to discussing the tasks and role of the Central Bank of Armenia and the Central Depository of Armenia in developing and regulation of the Armenian capital markets.

It's worth mentioning that the Federation of European-Asian Stock Exchanges (FEAS) was established in 1995, and the federation currently includes 32 members: 21 full members, 11

associate members, 8 observers, and 5 partners from stock exchanges, deposit centers and international institutions. It aims to enhance cooperation, support and develop capital markets in the region. Europe, Asia and the Mediterranean Basin.
