Service Description

Inquiry Stations that display real-time trading information which enable the broker to follow up the trading session.

Requirements and Conditions of Service

- The ASE determines the number of Inquiry stations that are allowed for each member, based on the technical capabilities and the usage licenses granted to the ASE.
- The broker can request to suspend or cancel any of the inquiry stations.
- The broker shall be committed to the provisions and rules of providing real-time trading information to the ASE members.

Required Documents

A letter of request to add, suspend or cancel the Inquiry station.

Steps and procedures for implementing the service

- Review the request and verify that all the conditions are fulfilled.
- Take the necessary procedures on the electronic trading system.

Service Fees

- JD 200 annually for each inquiry station of the first four stations.
- JD 100 monthly for each additional Inquiry station after the fourth station.
- Inquiry stations fees are paid annually within a period not exceeding ten working days from

the beginning of the year

Approximate Time for Completing the Service

Within two working days.
