March 24, 2009

Amman Stock Exchange (ASE), represented by the CEO, Mr. Jalil Tarif, participated last week in the inauguration of Damascus Stock Exchange (DSE). The Chairman of the Board of Directors of the DSE, Mr. Rateb Shallah, delivered the shield of Damascus Stock exchange to Mr. Tarif as gratitude of the efforts and contributions of Amman Stock Exchange in the establishment of the DSE which honored the Jordan Securities Commission, as well.

It is worth mentioning that the Jordan Capital Market institutions, represented by the Jordan Securities Commission, Amman Stock Exchange and the Securities Depository center have offered real support so as to enable the DSE to commence its functions. They held training courses for the staff of the DES and gave them support in regard to the technical and legislative domains. The cooperation between the two markets still exists to strengthen the links between the securities markets in order to enhance the national economy of the two countries.
