

ASE participated in the Arab Federation of Exchanges Annual Meeting

May 22, 2012

Amman Stock Exchange (ASE) represented by the Chief Executive Officer(CEO) of the ASE, Mr. Jalil Tarif, participated in the Arab Federation of Exchanges Annual Meeting which was organized by the Muscat Securities Market, and held in Muscat / Sultanate of Oman on April 11, 2012. Within this framework, the Arab Federation of Exchanges decided to form an executive committee, through the meeting, the ASE has been chosen as member of the Committee as well as Muscat Stock Exchange, Saudi Arabia Securities Market, Morocco Stock Exchange and the clearing of Egypt.

The selection of the ASE for the membership of the Executive Committee due to the active role of the ASE in the Federation, where the ASE is one of the first Arab Exchanges that contributed in the establishment of the Federation.

It is worth mentioning that the Federation includes in its membership (17) Arab Exchanges in addition to (7) Depository Centers, as the Federation seeks in its periodical meetings to discuss many issues and aspects related to the development of Arab Stock Exchanges, upgrading them and encourage them to approach international practices, as well as take advantage of the experiments of some members to spread the benefits and take advantages of successful experiences.
